

2 May 1950

MEMORANDUM FOR RECORD

SUBJECT: OUTSTANDING Issues of BOYIEND, QKSTAIR, Meeting thereon.  
(Measrs. [ ] et al.).

KSTAIR

1. [ ] APPARATUS

a. Means of testing the effectiveness of his apparatus will be checked by [ ]

b. [ ] Will also take care of cut-outs to main agents abroad.

2. PB

a. Decisions were reached on radios and leaflets.

(1) The first station will represent an agrarian movement. SADO will be consulted by [ ] to clean up the problem of a name--possibly a committee of NOFET. The danger of using a fictitious name was mentioned in reference with the fact of the operation falling flat when successful--proof will be demanded of authenticity.

(2) Leaflets will be dropped in the same name.

(Note: PB II will arrange for VOA cooperation after broadcasts have begun and leaflets dropped--2 or 3 days--when news begins coming out.)

(3) PB II will prepare leaflets, arrange to have them printed by [ ]. We are to prepare a memorandum on techniques. SII and Ops will furnish data on what they want included in leaflets.

b. PB II will make recommendations as to OPC's capabilities for mailing material into Dreamland; initiating rumor campaigns.

c. Exploration and research into using medium-wave transmitters against Pixieland and Dreamland will proceed simultaneously.

DECLASSIFIED AND RELEASED BY  
CENTRAL INTELLIGENCE AGENCY  
SOURCES/METHOD/EXEMPTION 3820  
NAZI WAR CRIMES DISCLOSURE ACT  
DATE 2007

[ ] Camp-OPD, was questioned as to how soon the transmitters could be procured. [ ] stated he is thinking in terms of being on the air in six weeks. [ ] felt that an overriding priority would have to be established, and the equipment readied in 30 days from date of order, Stateside. This problem to be discussed more thoroughly at a communications meeting.

d. The status of the beginning and content of initial Dreamer National Committee broadcasts is indefinite at present.

3. OPC nets

a. The means of contacting and procuring the services of capable Dreamer escapees into Greece and Turkey was deemed a field problem.

b. Desirability of approaching the PEEV group for separate channels of penetration is to be resolved with SADO. The VELCHEV group is being considered by [ ]

4. OTHER

a. Desirability of establishing an anti-Communist newspaper in Palestine is being discussed with SADO.

b. As to the extent that the Greek and Turkish services will have to be cut in, [ ] read from notes taken from recent intelligence re Greece. It appears that Greek plans toward Pixieland are quite touchy and firm.

c. The question of Tito's cooperation against Dreamland was considered premature at the present.

BOFIELD

1. Latest intelligence: see 5. b., above.

2. As to support, an air strip is being discussed for location in either Greece or Italy. The USAF will deliver drop aircraft to the strip where the FIIND crew will pick it up, make the drop of leaflets, return to the strip and turn the aircraft over to the AF crew, who will fly it out. Greece was chosen for the strip, with an Air Force liaison officer in that country. The Air Force in Greece (US) will be cut in on high level.

3. No notes taken on the status of the overt holding base and covert training centers--out of conference room.

4. Economic warfare [ ] has volunteered to take on a one-man sabotage trip to plant thermite bombs in cargoes of wooden Paxieland coastals.

5. [ ] will handle arrangements for publication of a newspaper by the Albanian committee.

6. It will be possible to place a short-wave transmitter on the boat, and PB II will be responsible for themes to broadcast to the 10,000 receivers, one half of which are in Commie hands.

a. The boat will be based in Greece, will have a Panamanian skipper and crew, and will fly the Panamanian flag.

7. Contacts in Paxieland for checking on effects of broadcasts--OSO can help, also the French.

8. Leaflets for original drop were delivered to [ ]
